About Kingdom Builders

At Victory Church, we are Kingdom Builders. Each year we come together to do more, pray more, give more, and believe for more. We are living out our Mission of challenging everyday people to experience every victory in Jesus. Kingdom Builders is a group of fully dedicated individuals and families who prayerfully commit to give over and above their tithe to Global Projects, Local Impact, and the Next Generation.

The tithe is about loving obedience. Kingdom Builders is about generosity above the tithe. Kingdom Builders are people like you who give generously so that more people can experience every victory in Jesus! Together, we are Kingdom Builders.

2024 GIVING GOAL
\$587,260

How Do I Become a Kingdom Builder?

Giving to Kingdom Builders is simple. Victory Church has a two-bucket giving system — Tithes/Offerings and Kingdom Builders. On the last Sunday of January, individuals and families will turn in their Faith Promise Commitment Cards that will go towards our 2024 Kingdom Builders goal.

We have three catalytic giving opportunities throughout the year — Easter, Father’s Day, and Thanksgiving — that go towards or beyond your Faith Promise. These special giving moments will also help on-board new people to become Kingdom Builders throughout the year. You can give to Kingdom Builders online, in person, or through text-to-give.

Global Projects

Jesus said ‘Go into all the world and make disciples...’ Reaching the entire world with the Good News of Jesus Christ is a big task, but it is what Jesus commanded us as His followers to do. As a Kingdom Builder, you have an opportunity to help fulfill The Great Commission through Global Projects. When you give to Kingdom Builders, your giving is going around the world and making a difference! Other opportunities include getting your feet on foreign soil by joining a Victory Team and going on a life-changing missions trip. Through Global Projects, your missions giving and missions going will help support specific projects around the world and individual missionaries.

Local Impact

Kingdom Builders is committed to funding the growth of the church locally by ministering to the hurting in our own backyards. We do not do this for comfort, fancy buildings, or praise, but for the purpose of making a space for those who have yet to experience the victory of salvation in Christ. Through Local Impact, not only will God’s church grow, but we will reach out to and support organizations in our communities that are bringing hope, healing, and victory to people’s lives.

Next Generation

Kingdom Builders believes in coming alongside the next generation of Christian leaders to build a strong spiritual foundation. We want to help raise up a generation of young people who are passionate about God, His world, and helping other people experience every victory that God has for them. Together we will support and partner with organizations that care for the physical and spiritual needs of our future leaders from birth through those beginning their careers. We want the next generation to serve, give, and love more.
